

## COURT PRIORITY & COURT BOOKINGS

Courts can only be booked during free time as shown on Court timetable – see Notice Board in Club House. Courts can only be booked for a maximum of one hour. Members wishing to book a court should use the white board in the Club House detailing date, time, court required and name of person booking the court.

When all courts are in use and members are waiting to play on courts, the time of use/play will be limited to 45 minutes only.

Please be fair on other members and treat every member (irrespective of age or ability) with respect and courtesy. Please ask to use the courts in a polite and reasonable manner. Please respect Coaches are working so try not to interrupt their sessions.

During Junior Coaching/Junior Priority time, ALL Junior coaching takes priority on courts 1-3 and 4-6 if needed. Juniors must be playing with other Juniors to take priority on a court.

During Adult Club Play, ALL Club Play takes priority on courts 1-3 and if needed, courts 4 and 5.

Any Club match against another Club has priority on courts 1 and 2 (and court 3 if needed).
