- Full membership entitles members to play at any Club Play session and free use of the courts outside of Club Play sessions.
- Provisional membership entitles members to play on Wednesday evening and Sunday morning Club Play sessions and free use of the courts outside of Club Play sessions. (Please note that 'Provisional Membership' refers to the Membership agreed at the 2008 AGM which entitles members to play on a Wednesday evening and Sunday morning – membership fee £155 per annum w.e.f. 01.04.09).

**PLEASE NOTE** that Club Play sessions have priority over all courts and courts cannot be booked during Club Play sessions. Members are encouraged to join in with Club Play if eligible to do so. However, if members wish to play outside of Club Play during these sessions, they are to use courts 4 – 6 if available and not courts 1 – 3 as this causes disruption to the Club Play session. If the courts are required for Club Play, those members not joining in the session should finish the game being played and vacate the court. Members wishing to play fixed two's/four's are encouraged to arrange them outside of Club Play sessions. Members not joining in with Club Play are to provide their own balls.
